21. What did you learn from this project?

17 Odpowiedzi

Identyfikator ↑	Nazwa	Odpowiedzi
1	anonymous	cooperation with students and teachers of other countries and my country
2	anonymous	Inclusion and cooperating with a lot of different kinds of students, teachers and schools
3	anonymous	I learned to be independent and confident. Also the project helped me to speak English better and learn new skills.
4	anonymous	I learnt some characteristics of some countries at the geological part
5	anonymous	New things about partner countries
6	anonymous	Enrichment of geo knowledge
7	anonymous	How to cooperate with students and teachers from all over Europe.
8	anonymous	I Learnt how to collaborate with foreigners in other countries and i had the opportunity to gain knowledge of new cultures and civilizations
9	anonymous	i upgrade my communication skills with student from another country
10	anonymous	Be a good presenter and listener
11	anonymous	How to cooperate with other scientists
12	anonymous	I gained a lot of information about cultural and geographical characteristics of different countries in Europe as well as learned how to cooperate and work with people from places around the world with different characteristics .
13	anonymous	I learnt languages, geology, geography, history, cultures...
14	anonymous	great information about geoparks
15	anonymous	I know more about volcanoes and geoparks and I met a lot of people
16	anonymous	I learn about geopark, culture, tradition, improve my english
17	anonymous	During this project, which lasted two years, I learned a lot about the geology of Guadeloupe first, by giving presentations, listening to those of my classmates and going on an outing. secondly by going to hungary i had the chance to discover the hungary geopark and that of all the students present with me.

22. What part(s) of the project did you find most challenging?

11 Odpowiedzi

Identyfikator ↑	Nazwa	Odpowiedzi
1	anonymous	seminars and also working in teams
2	anonymous	Geopark in Spain with all the walking near the beach
3	anonymous	Working on presentations
4	anonymous	Excursions in nature and utilization of geo knowledge and implementation of the power of nature to produce power
5	anonymous	For me, its was vulcano climbing
6	anonymous	Seminars and works
7	anonymous	Outdoor activities
8	anonymous	Be more confident in front of new people from other countries
9	anonymous	I Dont know
10	anonymous	nothing
11	anonymous	the biggest challenge for me was adapting to the new culture, new high school, new people, speaking in english too

23. What was the strongest point of the project?

11 Odpowiedzi

Identyfikator ↑	Nazwa	Odpowiedzi
1	anonymous	Geoparks are really interesting
2	anonymous	Connection with our Geoparks and the environment
3	anonymous	The variety of the countries that participated. We were all different and we managed to find commons
4	anonymous	Opportunity of meeting new ppl
5	anonymous	The variety of ways to exploite nature's power to produce electrical power for humanity and preserve non-renewable energy sources
6	anonymous	I think it was great and really helpful people
7	anonymous	Meet new people and coultures
8	anonymous	Lab results
9	anonymous	Cooperation with other students
10	anonymous	
11	anonymous	stay with the correspondant

24. What was the weakest point of the project?

11 Odpowiedzi

Identyfikator ↑	Nazwa	Odpowiedzi
1	anonymous	Pandemic situation
2	anonymous	Pandemic Situation
3	anonymous	Not everyone was socialising and talk to us
4	anonymous	I believe that more time for programm implementation was needed when travelling occurred in long distance countries.
5	anonymous	The long lasting lectures.
6	anonymous	i didnt find weakest points
7	anonymous	It didn't end really good with corona virus
8	anonymous	Online meetings
9	anonymous	We didn't manage to spend more time together
10	anonymous	the trip was too short
11	anonymous	in my opinion the strong point is the new meetings and the sharing of knowledge

25. If you could change tree things about this project, what would it be? Please explain why.

9 Odpowiedzi

Identyfikator ↑	Nazwa	Odpowiedzi
1	anonymous	sd
2	anonymous	NOTHING!!! It was perfect
3	anonymous	a)One week for implementation of a program by each participant country is not enough. b) More time to know the countries coulture c) More time for excursions and activities
4	anonymous	I would change the date of my trip since due to the global pandemic Covid-19 my team didn't manage to attend the seminar in Poland. It was such a great experience and I wouldn't change anything
5	anonymous	i would like the teachers focus more attention on sutednts. And that is all
6	anonymous	I don't think that I would change anything
7	anonymous	Participation of countries all over the world and not only from Europe in order to meet and other cultures truly different from ours Do more outdoor and group activities instead of projects on the computer
8	anonymous	nothing
9	anonymous	I would not want to change anything it was perfect, maybe the length of the stay because it was short and I would have liked to stay longer.
